Description: Choice of three building plots suitable for high quality, individual detached residences in select, peaceful setting on a narrow, quiet, tree lined country lane.

The location is most convenient for access into Preston City Centre and the surrounding towns of Leyland and Chorley and the intersection where the M6, M61 and M65 merge is within minutes driving distance.

Location: From the roundabout north of Junction 1A on the M65 turn west into Lostock Lane and Old School Lane is then the first on the left.

Planning: Outline Planning Permission has been obtained from South Ribble Borough Council on the 26th October 2023. (App. No. 07/2023/00640/OUT).

Full details can be viewed on the Council's website at www.southribble.gov.uk

The development will be subject to the Community Infrastructure Levy (CIL). The charge can be offset by utilising the floor area of the existing outbuildings and will be waived for a self-built project.

Tenure: The sites will be sold Freehold and free from Chief Rent.

Services: Mains electricity and water supplies are available for connection.

Drainage will have to be via a waste water treatment plant with effluent connecting into an existing pipeline that discharges into a watercourse. Prospective purchasers are advised to make their own enquiries.

To View: By visiting the location but attendance on site is strictly by appointment with the Agents, Peter E Gilkes & Company, with whom all negotiations should be conducted.

Money Laundering Regulations: In order to comply with regulations, purchasers will be asked to provide two forms of identification and evidence of ability to fund their acquisition by providing proof of funds.
